Crosshatch® Chair and Ottoman

Designer
E00S for Geiger

Original Production Date
2014

Using a minimum of materials in a maximally inventive way, the Crosshatch Chair and Ottoman employ both handcraft and technology to achieve alluringly refined results. Designed by E00S, the Vienna-based studio, Crosshatch is lightweight and transparent, extremely easy to pull up for a desk-side chat or, when paired with the Ottoman, to relax around a cocktail table.
