

Herman Miller Collection

Crosshatch Settee

Designer
E00S

Original Production Date
2019

Warranty
12 years

A lattice of hand-strung parachute cords gives the Crosshatch Settee its lightweight, transparent silhouette. A welcome extension of the Crosshatch Chair family, it seats up to two people. The settee is available in a wide selection of wood frame finishes, upholstery options, and cord colors. Designed by E00S, the Crosshatch Settee has been curated into the Herman Miller Collection.
